
LETTER OF APPRECIATION
TO WHOMSOEVER IT MAY CONCERN

This is to certify that Mr. Rohan Sadawarte has successfully completed his internship as Web Developer at Melbourne Car Valley during the duration of 1st April 2021 to 10th November 2021.

He has worked on developing new website and implementing Search Engine Optimization strategies in coding practices. This project was aimed to increase traffic and target more audience towards my car wrecking and car removal services in Melbourne. He was actively involved right from the initial phase of requirements gathering to the final deployment phase and testing of the website.

During this project, he demonstrated good technical and problem-solving skills with self-motivated attitude to learn new technologies. He suggested valuable strategies and innovative ideas while working on the project. He is very determined, passionate, hardworking and reliable. His performance met my expectations and was able to complete the project successfully within time.

I wish him all the best for his future endeavours!
